Eagar Bridge Secondary school
(2021-2023)

Bsc. IT (4th running)

Techspire college
(2024 - 2027)

SKILLS

- HTML 5
- CSS
- TAILWIND CSS
- JAVASCRIPT
- REACT
- GSAP
- Next js

LANGUAGE

- English
- Nepali
- Hindi

PROFILE

BSc IT student passionate about web development. Skilled in HTML, CSS, JavaScript, React, Next.js with basic knowledge of backend development, APIs, and databases. Familiar with Next.js and focused on building responsive, user-friendly, and modern web applications.

WORK EXPERIENCE

WEBX Nepal

JR. Frontend developer (Intern)

As a Frontend Developer Intern at Webx Nepal, I worked on a travel website project using Next.js. I gained practical knowledge of Next.js basics, implemented GSAP animations. It helps to enhanced my frontend development skills and teamwork experience.

NEPSE TRADING

Training

I was enrolled in the "Advanced Frontend with React" course at SkillShikshya, where I learned modern frontend development skills up to React. Gained practical experience in building projects, and using Git for version control and collaboration.

Recent Projects

- **Kayo** – Animated website using GSAP.
- **Foodland** – A food ordering and recipe website built using React.
- **Travel Website** – Contributed to a travel website at Webx Nepal.
- **Work on Next js websites** - API fetching, API keys usage, and dynamic UI rendering.
